

Are you eligible?

To the 9 months- 4 Years funding?

Your 9 month- 4 Years can get free childcare if you live in England and get one of the following benefits:

If you live and work in England you may be entitled to 30 hours funded childcare support from the term after your child turns 9 months old, until they start school.

You can usually get funded childcare for working parents if you (and your partner, if you have one) are:

- in work or starting a new job
- on sick leave or annual leave
- on shared parental, maternity, paternity or adoption leave

The amount of funded childcare you can get depends on:

- your child's age and circumstances
- your income (and your partner's income, if you have one)
- your immigration status

If you are not eligible for the working parent offer you will still receive the 15 hour entitlement for all 3 and 4 year olds from the term after your child turns 3 until they start school, irrespective of your income level, benefit status, or family circumstances.

9 month-23 month olds can also get free childcare if they:

- Are looked after by a local authority
- Have a statement of special education needs (SEN) (<https://www.gov.uk/children-with-special-educational-needs>) or an education, health and care (EHC) plan
- Get Disability Living Allowance (<https://www.gov.uk/disability-living-allowance-children>)

- Have left care under an adoption order, special guardianship order or a child arrangements order

Contact your childcare provider or local council (<https://www.gov.uk/funded-free-early-education>) to find out more
